Congratulations to the Carrickmines Team who managed to squeeze out a draw against a superior handicap team from Hamptworth. This was especially so in the last game thanks to Nigel Werner hoop running abilities. Friday morning doubles resulted in a 2-1 lead for the Carrickmines team. In the afternoon Hamptworth won 4-2 in the singles matches. Saturday morning started off with Hamptworth 5-4 up but Carrickmines managed a 2-1 win again in the doubles. With everything to play for the Carrickmines team managed a draw thanks to Nigel's hoop running abilities.

Particular thanks to Richard Stevens who organized all the social events including fine dining experience in the New Forest, The Rockingham Arms and The Kings Head.
